ARTICLE I. GENERAL PROVISIONS

Section 1. Purpose of this Policy

It is the purpose of this policy and the rules and regulations set forth to establish a fair and uniform system of personnel administration for all employees of the City under the supervision of the City Manager. The employment relationship between the City and the employee is terminable at the will of either at any time, with or without cause and with or without notice. No employee, officer, agent or representative of the City has any authority to enter into any agreement or representation, verbally or in writing, which alters, amends, or contradicts this provision or other provisions in these policies. Any exception to this policy or “at will” employment must be expressly authorized in writing, approved by City Council, and executed by the officers designated by City Council. (Nothing in this policy creates an employment contract or term between the City and its employees.) This policy is established under authority of Chapter 160A, Article 7, of the General Statutes of North Carolina.

Section 2. Responsibilities of City Council

The City Council shall be responsible for establishing and approving personnel policies; the position classification and pay plan, and may change the policies and benefits as necessary. They also shall make and confirm appointments when so specified by the General Statutes.

Section 3. Responsibilities of the City Manager

The City Manager shall be responsible to City Council for the administration and technical direction of the personnel program. The City Manager shall appoint, suspend, and remove all City officers and employees except those elected by the people or whose appointment is otherwise provided for by law. The City Manager shall make appointments, dismissals, and suspensions in accordance with the City Charter and other policies and procedures spelled out in other Articles in this policy.

The City Manager shall:

- a) Recommend rules and revisions to the personnel system to City Council for consideration;
- b) Make changes as necessary to maintain an up-to-date and accurate position classification plan;
- c) Prepare necessary revisions to the pay plan;
- d) Determine which employees shall be subject to the overtime provisions of FLSA;
- e) Establish and maintain a roster of all persons and authorized positions in the municipal service, setting forth each position and employee, class title of position, salary, any changes in class title and status, and such data as may be desirable or useful;
- f) Develop and administer such recruiting programs as may be necessary to obtain an adequate supply of competent applicants to meet the needs of the City;
- g) Develop and coordinate training and educational programs for City employees;

- h) Investigate periodically the operation and effect of the personnel provisions of this chapter; and
- i) Perform such other duties as may be assigned by City Council not inconsistent with this chapter.

Section 4. Application of Policies, Plan, Rules and Regulations

The personnel policy and all rules and regulations adopted pursuant thereto shall be binding on all City employees. The City Manager, City Attorney, members of City Council and advisory boards and commissions will be exempted except in sections where specifically included. An employee violating any of the provisions of this policy shall be subject to appropriate disciplinary action, as well as prosecution under any civil or criminal laws which have been violated.

Section 5. Departmental Rules and Regulations

Due to the particular personnel and operational requirements of the various departments of the City, each department is authorized to establish supplemental written rules and regulations applicable only to the personnel of that department. All such rules and regulations shall be subject to the approval of the City Manager, and shall not in any way conflict with the provisions of this policy, but shall be considered as a supplement to this Policy.

Section 6. Definitions

For the purposes of this policy, the following words and phrases shall have the meanings respectively ascribed to them by this section:

Full-time employee. An employee who is in a position for which an average work week equals at least 37.5 hours, and continuous employment of at least 12 months, are required by the City.

Part-time employee. An employee who is in a position for which an average work week of at least 20 hours and less than 37.5 hours and continuous employment of at least 12 months are required by the City.

Regular employee. An employee appointed to a full or part-time position that has successfully completed the designated probationary period.

Probationary employee. An employee appointed to a full or part-time position that has not yet successfully completed the designated probationary period.

Temporary employee. An employee appointed to a position for which either the average work week required by the City over the course of a year is less than 20 hours, or continuous employment required by the City is less than 12 month

Trainee employee. An employee status when an applicant is hired (or employee promoted) who does not meet all of the requirements for the position. During the duration of a trainee appointment, the employee is on probationary status.

ARTICLE II. POSITION CLASSIFICATION PLAN

Section 1. Purpose

The position classification plan provides a complete inventory of all authorized and permanent positions in the City service, and an accurate description and specification for each class of employment. The plan standardizes job titles, each of which is indicative of a definite range of duties and responsibilities.

Section 2. Composition of the Position Classification Plan

The Classification plan shall consist of:

- a) A grouping of positions in classes which are approximately equal in difficulty and responsibility which call for the same general qualifications, and which can be equitably compensated within the same range of pay under similar working conditions;
- b) Class titles descriptive of the work of the class;
- c) Written specifications for each class of positions; and
- d) An allocation list showing the class title of each position in the classified service.

Section 3. Use of the Position Classification Plan

The classification plan is to be used:

- a) As a guide in recruiting and examining applicants for employment;
- b) In determining lines of promotion and in developing employee training programs;
- c) In determining salary to be paid for various types of work;
- d) In determining personnel service items in departmental budgets; and
- e) In providing uniform job terminology.

Section 4. Administration of the Position Classification Plan

The City Manager shall allocate each position covered by the classification plan to its appropriate class, and shall be responsible for the administration of the position classification plan. The City Manager shall periodically review portions of the classification plan and recommend appropriate changes to City Council.

Section 5. Adoption of the Position Classification Plan

The position classification plan shall be adopted by City Council and shall be on file with the Human Resources Manager. Copies will be available to all City employees for review upon request. New positions shall be established upon recommendation of the City Manager and approval of City Council after which the City Manager, assisted by the Human Resources Manager, shall either allocate the new position into the appropriate existing class, or revise the position classification plan to establish a new class to which the new position may be allocated.

Section 6. Request for Reclassification

Any employee who considers the position in which they are classified to be improper shall submit a request in writing for reclassification to such employee's immediate supervisor, who shall immediately transmit the request through the department head to the Human Resources Manager. Upon receipt of such request, the Human Resources Manager shall study the request, determine the merit of the reclassification, and recommend any necessary revisions to the classification and pay plan to the City Manager.

ARTICLE III. THE PAY PLAN

Section 1. Definition

The pay plan includes the basic salary schedule and the "Assignment of classes to ranges adopted by City Council." The salary schedule consists of ranges with a minimum or beginning and maximum and ranges of pay for all classes of positions.

Section 2. Administration and Maintenance

The City Manager, assisted by the Human Resources Manager, shall be responsible for the administration and maintenance of the pay plan. All employees covered by the pay plan shall be paid at a rate listed within the salary range established for the respective position classification, except for employees in trainee status or employees whose existing salaries are above the established maximum rate following transition to a new plan.

The pay plan is intended to provide equitable compensation for all positions, reflecting differences in the duties and responsibilities, the comparable rates of pay for positions in private and public employment in the area, changes in the cost of living, the financial conditions of the City, and other factors. To this end, from time to time the Human Resources Manager shall make comparative studies of all factors affecting the level of salary ranges and will recommend to the City Manager such changes in salary ranges as appear to be pertinent. Such assignments will be made by increasing or decreasing the assigned salary grade for the class and adjusting the rate of pay for employees in the class when the action is approved by City Council.

Section 3. Starting Salaries

All persons employed in positions approved in the position classification plan shall be employed at the minimum salary for the classification in which they are employed; however, exceptionally well qualified applicants may be employed above the minimum of the established salary range.

Section 4. Trainee Designation and Provisions

Applicants being considered for employment or City employees who do not meet all of the requirements for the position for which they are being considered may be hired, promoted, demoted, or transferred by the City Manager to a “trainee” status. In such cases, a plan for training, including a time schedule must be prepared by the department head. “Trainee” salaries may be no more than 10% below the minimum salary established for the position for which the person is being trained. A new employee designated as “trainee” shall be regarded as a probationary employee.

If the training is not successfully completed to the satisfaction of the City, the trainee shall be transferred, demoted, or dismissed. If the training is successfully completed, the employee shall be paid at least at the minimum rate established for the position for which the employee was trained.

Section 5. Performance Evaluation and Merit Pay Increases

Supervisors and/or Department Heads shall conduct Performance Evaluation conferences with each employee at least once a year. These performance evaluations shall be documented in writing. As a result of performance evaluations, employees may be considered for merit pay increases within established salary ranges, or for performance awards based on job performance as it relates to established City and departmental goals and objectives, and on conformance with performance evaluation policies developed by the City Manager.

Section 6. Merit Pay Bonus

Employees who are at the top step of the salary range for their position classification are eligible to be considered for a merit bonus at their regular performance evaluation time. Merit bonuses shall be awarded based upon the performance of the employee as described in the performance evaluation and shall be the same percentage of annual salary as employees within the salary range with the same performance level. Merit bonuses shall be awarded in lump sum payments and do not become part of base pay.

Section 7. Salary Effect of Promotions, Demotions, Transfers and Reclassifications

Promotions, Demotions, Transfers and Reclassifications are events which will require an evaluation of an employee's salary. This evaluation shall be conducted to determine an employee's overall performance and to evaluate the employee's salary in order to properly compensate the employee for this change in duties and responsibility.

Section 8. Salary Effect of Salary Range Revisions

When a class of positions is assigned to a higher or lower salary grade, an evaluation of the employee in that class shall be conducted to determine an employees overall performance and to evaluate the employees salary in order to properly compensate the employee for this change in duties and responsibility.

Section 9. Effective Date of Salary Changes

Salary changes approved after the first working day of a pay period shall become effective at the beginning of the next pay period or at such specific date as may be provided by procedures approved by the City Manager.

Section 10. Overtime Pay Provisions

Employees of the City can be requested and may be required to work overtime hours as necessitated by the needs of the City and determined by the Department Head.

To the extent that local government jurisdictions are so required, the City will comply with the Fair Labor Standards Act (FLSA). The City Manager shall determine which jobs are "non-exempt" and are therefore subject to the Act in areas such as hours of work and work periods, rates of overtime compensation, and other provisions.

Non-exempt employees in the general work force will be paid at a straight time rate for hours up to the FLSA established limit for their positions (usually 40 hours in a 7 day period); non-exempt sworn law enforcement officers in the police department shall be paid one and one half times their regular rate of pay for all hours in excess of 171 hours in a designated 28 day work period. Non-exempt fire personnel in the fire department shall be paid one and one half times their regular rate of pay for all hours in excess of 212 hours in a designated 28-day work period. In determining eligibility for overtime in a work period, only hours actually worked shall be considered. Pay for time not worked, such as vacation leave and sick leave, will not be counted when determining these threshold hours for overtime eligibility.

Whenever practical, departments will schedule time off on an hour-for hour basis within the applicable work period for non-exempt employees, instead of paying overtime. When time off within the work period cannot be granted, overtime worked will be paid at time and one half rate or taken as compensatory time at time-and-one-half rate, in accordance with FLSA regulations. Use of compensatory time will be determined by the Department Head.

Employees in positions determined to be “exempt” from the FLSA (as Executive, Administrative, or Professional staff) will not receive pay for hours worked in excess of their normal work periods. These employees may be granted compensatory leave by their supervisor where the convenience of the department allows and in accordance with procedures established by the City Manager. Such compensatory time is not guaranteed to be taken and ends without compensation upon separation from the organization.

However, in the event of a natural disaster, as declared by the Mayor, “Exempt” employees shall be treated as “Non-exempt” employees.

Section 11. Call-back and Stand-by Pay

The City provides a continuous twenty-four hour a day, seven day a week service to its customers. Therefore, it is necessary for certain employees to respond to any reasonable request for duty at any hour of the day or night. One of the conditions of employment with the City is the acceptance of a share of the responsibility for continuous service, in accordance with the nature of each job position. If an employee fails to respond to reasonable calls for emergency service, either special or routine, the employee shall be subject to disciplinary actions up to and including dismissal by the City Manager.

Call-back. Non-exempt employees will be guaranteed a minimum payment of two hour’s wages for being called back to work outside of normal working hours. “Call-back” provisions do not apply to previously scheduled overtime work (scheduled one or more days in advance).

Stand-by. Non-exempt employees required to be on “stand-by” duty will be paid for four hours of work for each week (approximately 128 hours $\{(7 \times 24) - 40\}$), excluding work time) of stand-by time they serve. Stand-by compensation for less than one full week shall be determined by the ratio of .023 hours of pay per one hour of stand-by time. Hours actually worked while on stand-by are calculated beginning when the employee reports to the work site and are added to the regular total of hours worked for the week. Stand-by time is defined as that time when an employee must remain near an established (land line) telephone.

Section 12. Payroll Deduction

Deductions shall be made from each employee’s salary, as required by law. Additional deductions may be made upon the request of the employee on determination by the City Manager as to capability of payroll equipment and appropriateness of the deduction.

ARTICLE IV. RECRUITMENT AND EMPLOYMENT

Section 1. Equal Employment Opportunity Policy

It is the policy of the City to foster, maintain, and promote equal employment opportunity. The City shall select employees on the basis of the applicant's qualifications for the job and award them, with respect to compensation and opportunity for training and advancement, including upgrading and promotion, without regard to age, sex, race, color, religion, national origin, disability, political affiliation, sexual orientation or marital status. Applicants with physical disabilities shall be given equal consideration with other applicants for positions in which their disabilities do not represent an unreasonable barrier to satisfactory performance of duties.

Section 2. Implementation of Equal Employment Opportunity Policy

All personnel responsible for recruitment and employment will continue to review regularly the implementation of this personnel policy and relevant practices to assure that equal employment opportunity based on reasonable, job-related requirements is being actively observed to the end that no employee or applicant for employment shall suffer discrimination because of age, sex, race, color, religion, disability, national origin, political affiliation, sexual orientation or marital status. Notices with regard to equal employment matters shall be posted in conspicuous places on City premises in places where notices are customarily posted.

Section 3. Recruitment, Selection and Appointment

Recruitment Sources. When position vacancies occur, the Human Resources Manager shall publicize these opportunities for employment, including applicable salary information and employment qualifications. **A vacancy announcement shall be posted for at least three workdays in specified location for each department.**

Information on job openings and hiring practices will be provided to recruitment sources, including organizations and news media available to minority applicants. In addition, notice of vacancies shall be posted at designated conspicuous sites within each department. Individuals required to fill the position, shall be recruited from a geographic area as wide as necessary and for a period of time sufficient to ensure that well qualified applicants are obtained for City service. The North Carolina Employment Security Commission shall normally be used as a recruitment source.

Job Advertisement. Employment advertisements shall contain assurance of equal employment opportunity and shall comply with Federal and State statutes.

Application for Employment. All persons expressing interest in employment with the City shall be given the opportunity to file an application for employment for positions, which are vacant.

Applicant Pool. A group of applicants interested in a certain area of employment in which there are no available openings. These applicants meet the minimum requirements for employment in that area. When an opening occurs, selections will be made from the applicant pool for interviews for a position.

Application Reserve File. After the active period of six months, applications shall be kept in an inactive reserve file for two (2) years, in accordance with Equal Employment Opportunity Commission guidelines and the Records Retention Schedule issued by the NC Division of Archives and History.

Selection. Department Heads, with the assistance of the Human Resources Manager, shall make such investigations and conduct such examinations as necessary to assess accurately the knowledge, skills, and experience qualifications required for the position, including criminal history where job-related using the DCI when needed. All selection devices administered by the City shall be valid measures of job performance and shall determine the most qualified applicant for the position.

Appointment. Before any commitment is made to an applicant either internal or external, the Department Head shall make recommendations to the Human Resources Manager with a recommendation of the position to be filled, the salary to be paid, and the reasons for selecting the candidate over other candidates. The Human Resources Manager shall recommend approval of appointments and the starting salary for all applicants to the City Manager who will make the final decision.

Section 4. Probationary Period

An employee appointed or promoted to a permanent position shall serve a probationary period. Employees shall serve a twelve-month probationary period.

During the probationary period, supervisors shall monitor an employee's performance and communicate with the employee concerning performance progress. Before the end of the probationary period, the supervisor shall conduct a performance evaluation conference with the employee and discuss accomplishments, strengths, and needed improvements. A summary of this discussion shall be documented in the employee's personnel file. The supervisor shall recommend in writing whether the probationary period should be completed, extended, or the employee transferred, demoted, or dismissed. Probationary periods may be extended for a maximum of three additional months.

Disciplinary action, including demotion and dismissal, may be taken at any time during the probationary period of a new hire without stating a reasons and without following the steps outlined in this Chapter. An employee serving a probationary period following initial appointment may be dismissed with or without cause and without right of appeal at any time during the probationary period. A promoted employee who does not successfully complete the probationary period may be transferred or demoted to a position in which the employee shows promise of success. If no such position is available, the employee shall be dismissed.

Section 5. Promotion

Promotion is the movement of an employee from one position to a vacant position in a class assigned to a higher salary range. It is the City's policy to create career opportunities for its employees whenever possible. Therefore, when a current employee applying for a vacant position is best suited of all applicants, that applicant shall be appointed to that position. The City will balance three goals in the employment process: 1) the benefits to employees and the organization of promotion from within; 2) providing equal employment opportunity and a diversified workforce to the community; and 3) obtaining the best possible employee who will provide the most productivity in that position. Therefore, except in rare situations where previous city experience is essential (such as promotions to Police Sergeant), or exceptional qualifications of an internal candidate so indicate, the City will consider external and internal candidates rather than automatically promote from within. Candidates for promotion shall be chosen on the basis of their qualifications and their work records. Candidates shall apply for promotions using the same application process as external candidates.

Section 6. Demotion

Demotion is the movement of an employee from one position to a position in a class assigned to a lower salary range. An employee whose work or conduct in the current position is unsatisfactory may be demoted provided that the employee shows promise of becoming a satisfactory employee in the lower position. Such demotion shall follow the disciplinary outlined in this chapter. An employee who wishes to accept a position with less complex duties and responsibility may be demoted for reasons other than unsatisfactory performance of duties or failures in personal conduct.

Section 7. Transfer

Transfer is the movement of an employee from one position to a position in a class in the same salary range. If a vacancy occurs and an employee in another department is eligible for a transfer, the employee shall apply for the transfer using the usual application process. The department head wishing to transfer an employee to a different department or classification shall make a recommendation to the City Manager with the consent of the receiving department head. Any employee transferred without requesting the action may appeal the action in accordance with the grievance procedure outlined in this chapter. An employee who has successfully completed a probationary period may be transferred into the same classification without serving another probationary period.

ARTICLE V. CONDITIONS OF EMPLOYMENT

Section 1. Medical Examination

All full-time employees shall be required to pass a medical examination which may include a substance abuse test, a complete physical, psychological evaluation, or any other testing that may be required to carry out or withstand the prescribed tasks of the position being filled. Such medical examinations will be based on bona fide occupational standards that are reasonably related to the position in question.

Section 2. Work Schedule

Department heads shall establish work schedules, with the approval of the City Manager, which meet the operational needs of the department in the most cost effective manner possible.

Section 3. Certifications

All employees of the City of Roanoke Rapids hired into a position which requires certifications, state certifications, licenses, etc. must successfully complete certifications and licenses prior to the expiration of their current certifications to avoid possible interruption of employment. Failure to obtain the required certifications, state certification, licenses etc. which are required to perform your job may result in demotion, suspension or dismissal.

Section 4. Political Activity

Each employee has a civic responsibility to support good government by every available means and in every appropriate manner. Each employee may join or affiliate with civic organizations of a partisan or political nature, may attend political meetings, may advocate and support the principles or policies of civic or political organizations in accordance with the Constitution and laws of the State of North Carolina and in accordance with the Constitution and laws of the United States. However, no employee shall:

- a) Engage in any political or partisan activity while on duty;
- b) Use official authority or influence for the purpose of interfering with or affecting the result of a nomination or an election for office;
- c) Be required as a duty of employment or as condition for employment, promotion or tenure of office to contribute funds for political or partisan purposes;
- d) Coerce or compel contributions from another employee of the City for political or partisan purposes;
- e) Use any supplies or equipment of the City for political or partisan purposes; or
- f) Be a candidate for nomination or election to office under the City Charter;

Any violation of this section shall subject the employee to disciplinary action including dismissal.

Section 5. Outside Employment

The work of the City will take precedence over other occupational or special interest of employees, which may interfere or be perceived as creating a conflict or interference. All outside employment for salaries, wages, or other compensation and all self-employment must be reported to and approved by the employee's department head and City Manager. Outside employment causing or perceived as a conflict of interest shall be disapproved. The City Manager shall be responsible for final interpretation. Conflicting outside employment will be grounds for disciplinary action up to and including dismissal.

Section 6. Employment of Relatives

Employment of family members is permitted provided the following conditions are met: (a) two or more members of an immediate family shall not be employed within the same department or unit if such employment will result in one supervising a member of his or her immediate family; or (b) two or more of an immediate family shall not be employed where one member will occupy a position with influence over the other's employment, promotions, salary administration, or other related management or personnel considerations. The term immediate family is defined in Article VII, Section 12. These provisions shall also apply if two current employees marry.

Section 7. Personal Indebtedness

It is expected that each employee of the City will keep his/her financial affairs and obligations arranged in such a way that the City will not be embarrassed by personal indebtedness and irresponsibility. City employees are expected to pay federal, state and local taxes and other financial obligations such as court ordered child support, bankruptcy payments, etc. in a fiscally responsible manner as directed and/or due.

Section 8. Sexual Harassment

The City prohibits sexual harassment by supervisors and co-workers in any form. Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when 1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; 2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or 3) such conduct has the purpose or effect of unreasonable interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment.

Any employee who believes that he or she may have a complaint or sexual harassment may follow the Grievance Procedure described in this Chapter or may file the complaint directly with the City Manager, Human Resources Manager, department head, or other City official. The Human Resources Manager will insure that an investigation is conducted into any allegation of sexual harassment and advise the employee and appropriate management officials of the outcome of the investigation.

Section 9. Acceptance of Gifts and Favors

No official or employee of the City shall accept any gift, favor, or thing of value that may tend to influence such employee in the discharge of the employee's duties, or grant in the discharge of duty an improper favor, service or thing of value.

Section 10. Surrender of Property

Sick leave may also be used for death in the employee's immediate family, but may not exceed three days for any one occurrence. Additional leave time required for such occurrence may be charged to vacation or other approved leave when approved by the department head and/or City Manager.

Sick leave may also be used to supplement Worker's Compensation Disability Leave both during the waiting period before worker's compensation benefits begin, and afterward to supplement the remaining one third of salary, except that employee may not exceed the regular gross salary amount using this provision.

"Immediate family" shall be defined as spouse, mother, father, guardian, children, sister, brother, grandparents, grandchildren plus various combinations of half, step, in-law and adopted relationships that can be derived from those names, or anyone living as a part of the same household.

Voluntary Shared Leave Policy. The voluntary Shared Leave Policy is to provide economic relief for employees who are likely to suffer financial hardship because of a prolonged absence or frequent short-term absence caused by a serious medical condition.

Only full-time employees are eligible to receive donated leave. In order to be eligible to receive donated leave, the employee at the time of receipt must have exhausted all sick leave and have no more than 40 hours of vacation leave.

In cases of serious medical condition, an employee may apply for or be nominated by a third person acting on the employee's behalf to become a recipient of leave transferred from the vacation or sick leave account of another employee. The City Manager shall approve or disapprove all requests for receipt of donated leave. The intent is to allow one employee to assist another in case of a crisis.

1. The donated leave may be used for immediate family members as define in **Section 12. Sick Leave.**

All leave donations must be to a designated employee and approved by the City Manager for a receipt of donated leave and may not be made to pool or bank.

All donations shall be made in writing and signed by the donating employee. The employee to receive the donation of leave shall be named and the amount and type of leave donated shall be specified.

1. After approval by the City Manager the employee donating the leave shall personally present the "Donation of Leave Form" to the Human Resources Department. All applications received shall be recorded according to date and time received.
2. Any unused leave that has been donated shall be returned to the donors.

Any eligible employee may donate annual leave. A donating employee may not donate annual leave in an amount in excess of forty (40) hours to one person in a twelve (12) month period.

An employee may normally receive no more than 720 hours, (90 days) of donated leave, either continuously or for the same condition on a recurring basis during a twelve month period. After 720 hours has been used, the City Manager may extend this limit on a month-to-month basis for up to twelve months.

Holidays occurring while the employee is using donated leave will be paid. Annual vacation and sick leave will continue to be earned by the employee while he/she is using donated leave.

Section 14. Sick Leave: Medical Certification

The employee's supervisor or Department Head may require a physician's certificate stating the nature of the employee's illness and the employee's capacity to resume duties, for each occasion on which an employee uses sick leave or whenever the supervisor observes a "pattern of absenteeism." The employee may be required to submit to such medical examination or inquiry as the department head deems desirable. The department head shall be responsible for the application of this provision to the end that:

- 1) Employees shall not be on duty when they might endanger their health or the health of other employees; and
- 2) There will be no abuse of leave privileges.

Claiming sick leave under false pretense to obtain a day off with pay shall subject the employee to disciplinary action up to and including dismissal.

Section 15. Leave Pro-rated

Holiday, annual, and sick leave earned by full-time employees with more hours than the basic work week shall be determined by the following formula:

- 1) The number of hours worked by such employees shall be divided by the number of hours in the basic workweek (usually 40 hours).
- 2) The proportion obtained in step 1 shall be multiplied by the number of hours of leave earned annually by employees working the basic workweek.
- 3) The number of hours in step 2 divided by 12 shall be the number of hours of leave earned monthly by the employees concerned.

Section 16. Family and Medical Leave

The City will grant up to 12 weeks of family and medical leave during any 12-month period to eligible employees in accordance with the Family and Medical Leave Act of 1993 (FMLA). The leave may be paid (coordinated with the City's Vacation and Sick Leave policies), unpaid, or a combination of paid and unpaid. Unpaid leave will be granted only when the employee has exhausted all appropriate types of paid leave. Additional time away from the job beyond the 12-week period may be approved in accordance with the City's Leave without Pay Policy.

To qualify for FMLA coverage, the employee must have worked for the employer 12 months or 52 weeks; these do not have to be consecutive. However, the employee must have worked 1,250 hours during the twelve-month period immediately before the date when the FMLA time begins.

Family and medical leave can be used for the following reasons:

1. The birth of a child and in order to care for that child;
2. The placement of a child for adoption or foster care;
3. To care for a spouse, child, or parent with a serious health conditions; or
4. The serious health condition of the employee.

A serious health condition is defined as a condition which requires inpatient care at a hospital, hospice, or residential medical care facility or a condition which requires continuing care by a licensed health care provider. This policy covers illness of a serious and long-term nature resulting in recurring or lengthy absences. Generally, a chronic or long-term health condition which results in a period of incapacity or more than three days would be considered a serious health condition.

If a husband and wife both work for the City and each wishes to take leave for the birth of a child, adoption or placement of a child in foster care, or to care for a parent (not parent-in-law) with a serious health condition, the husband and wife together may only take a total of 12 weeks leave under FMLA.

An employee taking leave for the birth of a child may use paid sick leave for the period of actual disability, based on medical certification. The employee shall then use all paid annual leave for the remainder of the 12-week period.

The request for the use of leave must be made in writing by the employee and approved by the department head and City Manager.

An employee who takes leave under this policy will return to the same job or a job with equivalent status, pay, benefits, and other employment terms. The position will be the same or one which entails substantially equivalent skill, effort, responsibility, and authority.

Section 17. Medical and Family Leave – Certification

In order to qualify for leave under this law, the City requires medical certification. This statement from the employee's or the family member's physician should include the date when the condition began, its expected duration, diagnosis, and brief statement of treatment. For the employee's own health condition, it should state that the employee is unable to perform the essential functions of his/her position. For a seriously ill family member, the certification must include a statement that the patient requires assistance and the employee's presence would be beneficial or desirable.

This certification should be furnished at least 30 days prior to the needed leave unless the employee's or family member's condition is a sudden one. The certification should be furnished as soon as possible (no longer than 15 days from the date of the employee's

request). The certification and request must be made to the department head and filed with the City Manager.

Section 18. Leave Without Pay

A full-time employee may be granted a leave of absence without pay for a period of up to twelve months by the City Manager. The leave shall be used for reasons of personal disability after both sick leave and annual leave have been exhausted, sickness or disability of immediate family members, continuation of education, special work that will permit the City to benefit by the experience gained or the work performed, or for other reasons deemed justified by the City Manager.

The employee shall apply in writing to the supervisor for leave. The employee is obligated to return to duty within or at the end of the time determined appropriate by the City Manager. Upon returned to duty after being on leave without pay, the employee shall be entitled to return to the same position held at the time leave was granted or to one of like classification, seniority, and pay. If the employee decides not to return to work, the supervisor shall be notified immediately. Failure to report at the expiration of a leave of absence, unless an extension has been requested, shall be considered a resignation.

Section 19. Family Medical Leave and Leave Without Pay: Retention and Continuation of Benefits

When an employee is on leave under FMLA (maximum of 12 weeks in a year), the City will continue the employee's health benefits during the leave period at the same level and under the same condition as if the employee had continued to work. If an employee chooses not to return to work for reasons other than a continued serious health condition, the City will require the reimbursement of the amount paid for the employee's health insurance premium during the FMLA leave period.

Other insurance and payroll deductions are the responsibility of the employee and the employee must make those payments for continued coverage of that benefit.

An employee shall retain all unused vacation and sick leave while on FMLA Leave and Leave Without Pay. An employee ceases to earn leave credits on the date leave without pay begins. The employee may continue to be eligible for benefits under the City's group insurance plans at his or her own expense, subject to any regulation adopted by the City Council and the regulations of the insurance carrier.

Section 20. Workers' Compensation Leave

An employee absent from duty because of sickness or disability covered by the North Carolina Workers' Compensation Act may elect to use accrued sick leave or vacation during the first waiting period. The employee may also elect to supplement worker's compensation payments after they begin provided that the combination of leave supplement and workers'

compensation payments does not exceed normal compensation. An employee on workers' compensation leave may be permitted to continue to be eligible for benefits under the City's group insurance plans.

While on workers' compensation leave, the employee's leave credits and other benefits shall continue to accrue as if the employee physically remained on the job during this period.

For this purpose only, an employee shall be granted an additional ten days of military leave, the employee's leave credits and other benefits shall continue to accrue as if the employee physically remained with the City during this period. Employees who are eligible for military leave have all job rights specified by the Vietnam Veterans Readjustment Act.

- 2) Is able to perform the duties of the former position or similar position; or
- 3) Is unable to perform the duties of the former position or a similar position due to disability sustained as a result of the military service, but is able to perform the duties of another position in the service of the City. In this case the employee shall be employed in such other position as will provide the nearest approximation of the seniority, status, and pay which the employee otherwise would have been provided, if available.

Section 23. Civil Leave

A city employee called for jury duty or as a court witness for the federal or state governments, or a subdivision thereof, shall receive leave with pay for such duty during the required absence without charge to accumulated leave. The employee may keep fees and travel allowances received for jury or witness duty in addition to regular compensation; except, that employees must turn over to the City any witness fees or travel allowance awarded by that court for court appearances in connection with official duties. While on civil leave, benefits and leave shall accrue as though on regular duty.
